

Eligible Spend for Cashback Reward

Customers with the Avant Money Reward+ credit card who selected 'Cashback' as their preferred always on reward will earn cashback on spend with merchants who are in either the Retail or Social (Entertainment) categories. These categories are linked to those used by the Central Bank of Ireland.

Any purchases with merchants who register themselves as any category other than Retail or Social are specifically excluded from this cashback offer. Avant Money has no control over how individual merchants categorise themselves.

The table below outlines the complete list of transactions by merchant types which will earn cashback.
